GET STARTED

We'd love to have you as part of the Tegrete network of service provider partners. Please follow these steps to get started!

- 1. Complete the Tegrete Service Provider Application Form.**
<https://tegrete.com/service-provider-application-form/>
- 2. Review Insurance and Background Investigation Requirements.** Many of Tegrete's clients are in highly secure environments, including financial institutions, utility buildings/substations/power plants, healthcare clinics, and government offices. General Liability, Commercial Auto, and Workers Compensation insurance, along with a Background Investigation are required for several of Tegrete's clients and services.
- 3. You'll Be Added to the Tegrete Service Provider Database.** We'll review your application and let you know if we have any questions. Your information will be added to our database, and we will contact you when a need for service comes up in your area!

SUPPLIER DIVERSITY

Tegrete strives to expand subcontracting opportunities for all small business concerns, including minority, women-owned, and veteran, service-disabled veteran-owned businesses.

Tegrete is a certified Women-Owned Business Enterprise, and we understand firsthand the cost and complexity associated with becoming a certified diverse business. As part of our onboarding process, we ask all suppliers to complete a Business Ownership Survey to indicate if they are a diverse supplier and hold a certification. Many of Tegrete's clients are seeking partnerships with Tier I and Tier II diverse suppliers.
